How to Stay Awake When Tired. When you start to feel tired, that's usually the cue to go to bed and get some shut-eye. Sometimes, however, you have to stay awake, whether it's for a late-night shift at work, an early-morning class, or a sleepover. Your first instinct might be to reach for the caffeine, but that does...

ISIS, Hezbollah, Hamas. These three very different groups are known for violence — but that's only a portion of what they do, says policy analyst Benedetta Berti. They also attempt to win over populations with social work: setting up schools and hospitals, offering safety and security, and filling the gaps left by weak governments.
