The lost world is a subgenre of the fantasy or science fiction genres that involves the discovery of an unknown world out of time, place, or both. It began as a subgenre of the late-Victorian adventure romance [citation needed] and remains popular into the 21st century. The genre arose during an era when the fascinating remnants of lost civilizations around the world were being discovered, such ...

The Lost Highway Tour was a worldwide concert tour by the American rock band Bon Jovi, that took place from October 2007 to July 2008 in support of their 10th studio album Lost Highway. Originally planned as a 2008 greatest hits tour, the tour was changed to promote Lost Highway after the album's worldwide success, reaching #1 in several countries when released in June 2007.

American Nations changes the debate. Dixie. Colin Woodward's American Nations is one of those riveting, game changing books like The Bell Curve that comes along once in a decade.. I dare say this book has the potential to be as foundational to Southern Nationalism as Kevin MacDonald's Culture of Critique has been to White Nationalism. This is exceptional praise for a clearly biased Yankee ...

The journey that ultimately brought us to the Heart of Darkness was built on years of exploration into the world of beer. It started mundanely enough, like any Englishman growing up in the 80's I was bombarded with marketing telling me beers were 'reassuringly expensive" or "probably the best Lager in the world".

#### **Our Journey - Heart of Darkness Brewery**

Time permitting, I'll add some pages with additional information about some of these theatres. For now, die-hard theatre fans may find this very brief anecdote from the 400 Theatre a little amusing. On the subject of movies, meanwhile, I've written a lengthy review of the movie Mystery Men, outlining the reasons for my bewildering belief that it is one of the best movies ever made.
