#### The Swimming Pool: Holly LeCraw ... - amazon.com

The Swimming Pool was an okay book, but was underdeveloped, and difficult to connect to. The story never really reels you in, excited for more. Marcella, the protagonist, is a depressing, self-loathing, over emotional, selfish, immoral woman, making it very difficult to like her, want her to come out winning in the end.

#### The Swimming Pool - Book Reviews - Holly LeCraw

review 1: I didn't enjoy this book very much. I am interested in thrillers that have to deal with deaths and love affairs. However, I found it incredibly hard to follow. The author didn't do a great job of introducing the characters, so, from the beginning I was lost.
