There are countless books, dvds and websites about the great aircraft of World War Two. Almost everyone would recognize the Spitfire, P-51 Mustang, Me109 or Lancaster. However there were hundreds of aircraft types used between 1939 and 1945 and inevitably some were abject failures. I've always enjoyed 'worst of' lists and had an interest in aviation, so I thought it time to combine the two.

It's a hard question to answer because great movies are all great in more or less the same way, but each terrible movie is uniquely terrible. For instance, which one is worse, a movie that is terribly shot, stupidly written and boring, or a movie that might be decently shot and written but either has a terrible message or completely fails to do what it set out to do?
