Orioles slugger Chris Davis has had an eventful few weeks. After setting a dubious Major League record for consecutive hitless at-bats, Davis broke it in a big way against the Red Sox -- and now, a week later, we saw his first pitching performance in seven years.. With Baltimore trailing the Twins on Saturday night, 16-7, Davis took the mound in the ninth inning for his second pitching ...

The goal here is fair self-explanatory: Step #1: Detect the presence of a colored ball using computer vision techniques. Step #2: Track the ball as it moves around in the video frames, drawing its previous positions as it moves. The end product should look similar to the GIF and video above. After reading this blog post, you'll have a good idea on how to track balls (and other objects) in ...
