The Cyclist Conspiracy [Svetislav Basara, Randall A. Major] on Amazon.com. \*FREE\* shipping on qualifying offers. Some books grow old with years, some are rejuvenated, some remain the same. But extremely rare are those that manage to force reality to change and adapt to what is written in them. Some twenty years ago The Cyclist Conspiracy > seemed like postmodern brick-a-brack.

## The Cyclist Conspiracy: Svetislav Basara, Randall A. Major ...

The Cyclist Conspiracy tells the tale of a secret Brotherhood who meet in dreams, gain esoteric knowledge from contemplation of the bicycle, and seek to move in and out of history, manipulating events; the Brothers are part of a conspiracy so vast and so secret that, in many cases, the conspirators themselves are unaware of their participation in it.

# The Cyclist Conspiracy by Svetislav Basara - Goodreads

The Cyclist Conspiracy, Svetislav Basara's second novel to be translated into English (expertly by Randall A. Major), is a dizzying, vertiginous ride in which the real is constantly at loggerheads with the unreal. The reader sifts through what purports to be a collection of apocryphal documents by famous scholars and dubious, not to mention spurious, sources.

# The Cyclist Conspiracy, Svetislav Basara | World ...

The Cyclist Conspiracy documents a shadowy cult of sorts -- the Evangelical Bicyclists -- who have played significant roles in parts of history (and also just rolled along with much of it). From the symbolism of the simple image of the two-wheeled velocipede (in its many variations) to the bicycle as mode of transportation, Basara shows a vast conspiracy of bicyclism that has existed for many, many centuries.

When The Cyclist Conspiracy appeared two decades ago, it was considered a kind of cultural excess, a provocation that stirred the literary audience of the time. It is likely that it still does. ... Svetislav Basara (Bajina Bašta, 1953) is considered to be the key figure of contemporary Serbian literature.

#### Geopoetika | Svetislav Basara: The Cyclist Conspiracy

The Cyclist Conspiracy by Svetislav Basara (Fama o biciklistima, 1988) translated from the Serbian by Randall A. Major (2012) Open Letter Books (2012) 280 pp. I'm a fan of conspiracy theories in literature. I love the antiquities and the act of imagining what secrets have been lost to history — or hidden from history.
