### The Touchstone by Edith Wharton - Free Ebook - Gutenberg

The Touchstone is not a ghost story in the traditional sense, but it does deal in the aftermath of death and the eternity of the written word. Written in 1900, The Touchstone is Wharton's first published novella. In it, she tackles a danger well-known in the world of women: the betrayal of confidence.

g out at him as he put his key in the door--. He stood up and strolled into the other room. Hollingsworth, lounging away from the window, had joined himself to a languidly convivial group of men to whom, in phrases as halting as though they struggled to define an ultimate idea, he was expounding the cursed nuisance of living in a hole with such a damned climate that one had to get out of it by ...
