The Greatest Benefit To Mankind

Utilitarianism is a family of consequentialist ethical theories that promotes actions that maximize happiness and well-being for the majority of a population. Although different varieties of utilitarianism admit different characterizations, the basic idea behind all of them is to in some sense maximize utility, which is often defined in terms of well-being or related concepts.

While likely to be a very controversial list, we are in the middle of one of Capitalism's favorite seasons: Christmas, so it seems fitting to publish it on Christmas Eve. After the death of feudalism in the 19th century a choice was presented to the world: would the new politico-economic system be capitalism, communism, the "Third Way" or an obscure alternative?

We have reached a place in church history where *Roman Catholics, reeling from lawsuits stemming from decades of latent homosexual priests abusing children - are now weeding out homosexuals from their clergy. On the other hand, Methodist, Episcopal, Presbyterian, and Anglican denominations are now welcoming homosexuals to their clergy in defiance of Scripture.
