The Building Blocks of Visual Design. Visual design is about creating and making the general aesthetics of a product consistent. To create the aesthetic style of a website or app, we work with fundamental elements of visual design, arranging them according to principles of design.

What is Visual Design? | Interaction Design Foundation

In the visual arts, composition is the placement or arrangement of visual elements or 'ingredients' in a work of art, as distinct from the subject. It can also be thought of as the organization of the elements of art according to the principles of art.. The composition of a picture is different from its subject, what is depicted, whether a moment from a story, a person or a place.

Composition (visual arts) - Wikipedia
