Star Delta Starter The Star Delta Starter is a very common type of starter and is used extensively as compared to the other type of starting methods of the induction motor. A star delta is used for a cage motor designed to run normally on the delta connected stator winding. The connection of a three-phase induction motor with a star delta starter is shown in the figure below.

'The Big Bang Theory' airs on Thursdays, 8 p.m. on CBS. The one-hour finale will premiere on May 16. Created by Chuck Lorre and Bill Prady, the show premiered on CBS on September 24, 2007. In March 2017, the series was renewed for two additional seasons, bringing its total to twelve.

'The Big Bang Theory' to get a traditional finale on May ...

The law or principle of comparative advantage holds that under free trade, an agent will produce more of and consume less of a good for which they have a comparative advantage. Comparative advantage is the economic reality describing the work gains from trade for individuals, firms, or nations, which arise from differences in their factor endowments or technological progress.

Comparative advantage - Wikipedia

Electronic Voting Machines ("EVM") are being used in Indian General and State Elections to implement electronic voting in part from 1999 elections and recently in 2018 state elections held in five states across India. EVMs have replaced paper ballots in state and general (parliamentary) elections in India. There were earlier claims regarding EVMs' tamperability and security which have not been ...

I know this is an old post, but in case someone else happens upon this question, one good option is Virtual Serial Port Emulator (VSPE) from Eterlogic It provides an API for creating kernel mode virtual comport devices, i.e. connectors, mappers, splitters etc. However, some of the advertised capabilities were really not capabilities at all.. EDIT A much better choice, Eltima.
