"I believe that what we become depends on what our fathers teach us at odd moments, when they aren't trying to teach us. We are formed by little scraps of wisdom."

Umberto Eco Quotes
Half of these features characterize the right and the other half the left. It seems to me that both parties have managed to create a level of division that brings to mind mid 19th century America, and the media is a big part of the problem.

Umberto Eco Makes a List of the 14 Common Features of ...
In this essay, Umberto Eco describes a special kind of musical works that can be organized and re-organized by the performers before they are played to the audience. He then applied this idea of "open works" to literary texts and other works of art. Every work of art can be read, according to Eco, in three distinct ways: the moral, the allegorical and the anagogical.

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
